

Nomination to Candidacy for the Ed.D.

A Nomination to Candidacy form is submitted when the final portion of the examination is passed, and the student is judged to have met all criteria for candidacy. All non-dissertation coursework must be completed and graded at this time, and an approved plan of study must be on file with the Graduate Studies Office.

The Nomination to Candidacy should be signed by the Advisory and Research Committee composition that approved the Plan of Study. If the committee is to change for the purposes of the dissertation, the Change of Advisory and Research Committee form is found on the Graduate Student Portal and can be submitted at the same time or after Candidacy is approved.
